MEMORANDUM

TO: Colleagues in Safety

FROM: Thomas A. Broderick and Gayla L. Bockrath

DATE: June 15, 2009

RE: Call for Abstracts - Construction Safety Conference & Expo

Plans have begun for the **20th Annual** Construction Safety & Health Conference. It is our pleasure to invite you to submit a proposal for presenting at this premier event to be held once again in Rosemont, Illinois. The conference is scheduled for **February 16-18, 2010**.

Each year, participants have been very complimentary about our efforts to recruit superior speakers with timely, accurate and useable information..... speakers with the ability to deliver in an effective and interesting style. That's why we are inviting you to submit an abstract. If you are interested in submitting a proposal, please fax an abstract no later than **September 30, 2009** to (708) 544-2371, e-mail to Gayla at gbockrath@buildsafe.org, or mail to the address above. We need to focus on getting our registration materials out in a timely manner....so please pay close attention to the deadline date.

Your proposal should include:

- Title of presentation or roundtable discussion
- Suggested duration
- Level of technicality -- basic, intermediate or advanced
- List of co-presenters, if any
- 1-2 descriptive paragraph for your session (see abstract form)
- Short bio for you and co-presenter(s), if applicable (If you presented last year and your information has not changed, please indicate that we may use last year's bio.)
- Resume of prior speaking engagements

We encourage you to pick a topic that will bring new and/or needed information to the attendees, and also one that you feel that you can deliver in an interesting presentation. The topics may range from basic to advanced. We ask that you categorize your topic so that we can make sure that we promote it to the right audience.

Please let us know if you would like to receive an electronic version of this document. You can reach Tom by e-mail at tbroderick@buildsafe.org or by phone at 800-552-7744 x207 or Gayla at gbockrath@buildsafe.org or by phone at 800-552-7744 x204. We look forward to hearing from you soon!

20th Annual Construction Safety Conference
February 16-18, 2010

Presenter Abstract Form

Please fill out a form for each session submitted.

Title of Presentation:

Lead Presenter: Job Title:
